## 1. Chapter 1

### Chapter 1: Shinpachi

Shinpachi is in a misty place. He can barely see. He sees a shadow in the distance. He walks over and turns the person around. He can feel his heart sink as he sees a blue haired green-eyed boy. "A-Asuke!" The boy turns into mist. "Asuke!" He jerks awake. Heisuke is laughing. "Dozing off again, eh Shinpachi?" He elbows his side. Shinpachi rubs his eyes.

>"Just a bit." He stretches then yawns. "Maybe we should go get some food. Chuzuru came by a while ago saying she was starting it right?" He walks into a room and everyone is already sitting down. He sits down quietly. He just stares at his food.<p>

Kondou comes in. "Hey everyone. We have a new recruit so be nice. Come on in." A boy with long blue hair and green eyes walks in. Everyone stares at him. Shinpachi stands quickly. "Asuke!" The boy looks at him and smiles. "Shinpachi!" Shinpachi walks over and they grab hands.

>"Damn Asuke your losing your grip."<br>"Two years away and you expect me to keep it?" He laughs. "Sorry I worried all of you. I wasnt there when the troops caught fire."

>"Then tell us what happened!" Shinpachi pats his back. "Sit down I'll share some food with ya!" They both sit down.<p>

Chuzuru looks at Heisuke. "Hey Heisuke? Whose that?" Heisuke smiles.

>"Oh yeah you just got here didn't you? That's Asuke. He and Shinpachi are like brothers. We all thought he died." Chuzuru watches

Shinpachi and Asume. They did resemble brothers. "So what happened? We all heard your troops perished in a fire." Shinpachi is quick and to the point. Asume smiles a bit.<br>"I was only at the base for a week. I got a letter saying my mother fell ill and they couldn't find any of my siblings and my father went missing. So they allowed me to leave. The day after I left the base caught fire and they all perished. I didn't realize this till just recently. So I came back to you guys when my mother got better."

Shinpachi ruffles his hair. "So why didn't you send us a letter?"

>"Me being one of you guys I couldn't risk me and my mother's location. Especially when she was on the verge of death."<br>"I see. Welcome back!" He grabs him and puts him in a headlock. They finish eating. Everyone welcomes him back. "Thanks everyone. But now its time for a bath." He stands. "Excuse me." He walks out. After awhile Shinpachi gets to the bath. He sees Asume.  
>"Hey Asume-" He stops in his tracks. He sees that Asume has two big boobs. Asume ducks in the water. "Shinpachi!" He's stunned. He then faints. "Shinpachi!" She runs over to him and sees he has a nosebleed. "Pervert." <p>

## 2. Chapter 2

### Chapter 2

She got herself dressed as waits for Shinpachi to wake her it felt like hours so she started talking to herself. "Oh hey Shin, havent seen ya in two years! Did I forget to mention im a girl?!" She facepalms herself as she sees the other leaders come up. "Shhhhit! Shit shit shit!" She looks around for a place to hid him, but its too late.

>"Asume?" Heisuke is the first to notice. "What the hell happened to Shinpachi?" She thinks quickly.<br>"Not sure. I think hes sick. He came over shouting some, some nonsense and he passed out." She tries not to act nervous.

>"Well thats odd." Heisuke lightly kicks him and he wakes up. The only thing going through Asume's mind is 'Oh shit im dead'.<p>

He sees Asume and jumps up in a frantic babble. "G-Girl! Giiiiiiiiirl!" He points at Asume.

>"What the hell are you talking about Shin?" Trying to cover herself. "Im not a girl. You must be sick or something man."<br>"You gotta be! Look at your chest!" Asume looks down in a panic, but her chest is still flat.

>"Got ya!" Heisuke hits him on his head.<br>"Dude chill. Your acting crazy. Asume is NOT a girl ok."

>"Geez idiotâ€|. I have to go talk to Kandou." She walks back to the headquarters.<p>

When she gets to his room he is shocked. "Shinpachi almost discovered you!?" He yells quietly.

>"Yeah. It was really scary. All I could think is that Hijikata will kill me when he finds out."<br>"I wouldnt let him! He wouldnt touch my beloved daughter! No man willâ€|" He has an evil look on his face.

>"Um dad. Im at a camp full of MALE samurai."<br>"Ermâ€| good pointâ€|." He is caught off guard.

>"Besidesâ€|. I'll just tell Shin the truth if he asks and we are

alone."<br>"Why would you be alone?"  
>"Dad shut up for a moment I'm being serious here."<br>"So am Iâ€|. Why would you be alone?"  
>"I dont know, maybe he would want to ask me when no one else is around. Orâ€|" She feels a teasing urge coming on. "Maybe he will confess his eternal love for me."<br>"He will not touch my daughter!" He starts getting loud."  
>"Dad do you want the camp to hear you?"<br>"Yes!"  
>"Daaaaaaad!" She whines.<p>

Asuke walks into her room and looks up at the ceiling thinking about Shinpachi. "I wonderâ€|. if Shin would accept me as a girlâ€|..?" She whispers to herself. Her heart starts beating fast thinking of him. She shakes her head and closes her eyes to drift to sleep.
